Need help with your heating bill?

The Illinois Low Income Home Energy Assistance Program (LIHEAP) helps eligible households pay home energy bills. You may be eligible to receive assistance if your household's combined income is at or below 200% of the Federal Poverty Guidelines. All income-qualified Illinois residents may receive bill assistance. Residents who apply without a valid Social Security number or Individual Taxpayer Identification Number (ITIN) will receive further instructions from your county agency – Project NOW for Rock Island, Henry and Mercer counties.

Counties served:

Rock Island, Henry and Mercer
The application period begins
Oct. 1, 2024.
